

WorkTuff absorbent wipes - general purpose absorbent

The control, containment and clean up of chemical, oil and fuel spills on water and land is an essential part of a company's compliance with AS1940:2004, ISO14001, Unauthorised Discharge Regulations 2004 or other requirements. General purpose, all-liquid absorbent wipes help meet these obligations.

- Many cleaning uses including food preparation, health care, hospitality, commercial (janitorial), industrial and household.
- Use WorkTuff industrial absorbent wipes in maintenance workshops, vehicle repair shops, panel and paint shops, warehouses, industrial facilities, service stations, engine rooms, boiler houses, pump rooms and more.
- Tough – wipes hold together even after absorbing six times own weight of liquid.
- WorkTuff absorbent wipes are ideal for cleaning hydraulic hoses, fuel lines, pipes, fittings, equipment, machinery, bench tops, tools, work benches and hands.
- WorkTuff absorbent wipes are tough, durable and lint-free so no messy fibres are left on surfaces.
- The cloth structure of WorkTuff absorbent wipes traps dirt and food particles and soaks up spills easily.
- Non-allergenic, non-hazardous with no dust.
- Simple to use without the need for specialised PPE.

Description	Dimensions	Code	Shipping weight
