

Absorbent Materials

General Purpose Absorbent Pads & Wipes

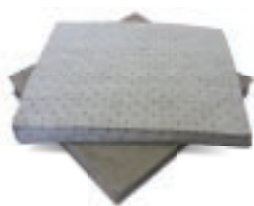

Global General Purpose (Universal) Absorbents are ideal for clean up and maintenance of the inevitable leaks, drips and spills generated from the day to day activities of transporting, storing and dispensing liquids.

Poly wipes are an inexpensive, tough and effective way to wipe up small spills or clean up tools.

Colour coded grey for easy identification, General Purpose absorbents are ideal for coolants, degreasers, paint, blood, bodily fluids, oils & fuels as well as mild acids, bases and water based chemicals.

- Manufactured from surface modified polypropylene with exceptional all liquid absorbency.
- Able to recover up to 20 times their own weight in liquid by encapsulating the liquid within its fine fibres.
- Inert material does not degrade or chemically react with absorbed liquids.
- Fast wicking action for quick clean up – reduces potential slip hazards and improves safety in the workplace.
- High absorbency to weight ratio resulting in lower transport & disposal costs of the used absorbents.
- Lightweight, easy to use, non allergenic & dust free.

General Purpose Absorbent Pads

- Pre-cut sizes in convenient packs.
- Use for wiping equipment, spills around drums or tanks and for use around plant & machinery during maintenance and repairs.
- When a clean, low residue pad is required, choose lint free pads.

Code	Description	Dimensions	Pack	Capacity
MXPU*	Pad, med duty lint free	41cm x 51cm	100/200	83 litres/pack 100
MGP	Pad, med duty	45cm x 45cm	50/100	113 litres/pack 100

* Imported product

General Purpose Absorbent Roll

- Use around plant & machinery during maintenance to catch leaks and drips.
- Cut easily with scissors or knife.
- Large area coverage.
- For fast and easy dispensing, use our wall mount or portable roll holder (see pg 33).
- For easy tearing choose perforated rolls.

Code	Description	Dimensions	Capacity
MXRU50.82*	Roll, med duty, non lint	50m x 0.82m	160 litres/roll
MXRU50.8 P45C*	Roll, med duty, non lint, perforated	50m x 0.8m	160 litres/roll
MGR40.8 P45C	Roll, heavy duty, perforated	40m x 0.8m	180 litres/roll

General Purpose Absorbent Mini Booms

- Use to contain, divert and absorb spills.
- Highly flexible – mould around plant & machinery or push under pallets.
- Use to protect drains and waterways.

Code	Description	Dimensions	Capacity
MSB2.4	Mini Boom	2.4m x 7.5cm	16 litres/boom
MSB1.2	Mini Boom	1.2m x 7.5cm	8 litres/boom

General Purpose Absorbent Pillows

- Ideal for contained or pooled spills.
- Place under hoses or next to leaking drums.

Code	Description	Dimensions	Capacity
MSPFO	Pillow, large	37cm x 58cm	14 litres/pillow
MSP	Pillow, medium	34cm x 22cm	3.5 litres/pillow

Poly Wipes

- Global All Purpose Wipes are high quality polypropylene wipes or sheets, ideal for oil, fuel, solvent and all other liquid clean up.
- Use to clean down oily tools, equipment, oil & fuel lines, oil & fuel dispensing hoses and in workshops everywhere.
- Clean, hygienic, uniform and absorbent replacement for rags.

Code	Description	Dimensions	Pack Size	Capacity
GAPW	Poly wipes	35cm x 40cm	50 pk	13 litres
